ADJUSTABLE SHOCK CORD HOLSTER

COLOR: ●
 SKU#
 SI-HOLSTER-FG

Organize the inside of your bag or any surface with a loop side. The included shock cord has hook ends (as well as a loop side) so you can configure the specific tension needed anywhere the loop side inside lined wall and webbing of the holster. This holster does not only have one intended use to keep with the modular theme of the Strike Gear® line of soft goods. Strap and secure any item that fits in the webbing loop.

HOOK PANEL

COLOR: ●●
 SKU#
 SI-PLATFORM-WL
 SI-PLATFORM-FG

This panel was designed to connect and stack two Boogeyman Chest Rig Bags but can have any use that needs four (x4) strips of hook side. Connect other soft goods with loop side; pouches, holsters, and more. This is like a blank canvas to help you keep your gear organized.

ELASTIC WEBBING LOOP HOLDER

COLOR: ●
 SKU#
 SI-MAGHOLDER-FG

Use this holder to keep things in its place for your bag or any surface with a loop side. Most rifle/pistol magazines, small notepads, battery packs, sunglasses and just anything that will fit. Keep your gear vertical, horizontal, and any other direction you need to organize your stuff.

HOOK ADAPTER

COLOR: ●
 SKU#
 SI-HOOKADAPTER-BK

The Strike Gear® Hook Adapter helps connect the Boogeyman Chest Rig Bag with loop backing to most loop side plate carrier front panels. This adapter has double-sided hook surfaces so you can connect two loop sides securely together. Also connect other soft goods with loop sides, pouches, holsters, and more. Help connect your Boogeyman Chest Rig Bag or any other soft goods/gear.

“Mil-Spec is just the beginning. We don't treat the “**standard**” as a goal to reach, but **instead** as a **place begin**”

STRIKE HARD. STRIKE FAST. STRIKE INDUSTRIES

At Strike Industries, innovation has driven our success to date, and will continue to be the watchword by which we forge onward. Through relentless experimentation, continuous improvement and unconventional things, we are able to develop truly meaningful solutions in service of you, the customer, to get the job done.

By drawing on the combined experience of a dedicated, passionate team from diverse backgrounds and experiences from military veterans, law enforcement professionals, civilian competitors, enthusiasts, and more, we strive to introduce out of the box thinking to create unique tools that combine function, value, and form. The result? Truly custom options, at a price anyone can access, with unmatched quality.

True innovation focuses on answers beyond the status quo. At Strike Industries, “Mil-Spec” is just the beginning. We don't treat the “standard” as a goal to reach, but instead as a place to begin.

Strike Hard, Strike Fast, Strike Industries.
